Renwick Lighthouse Restoration

Dear Ms. Carmona-Graf:

Thank you for continuing to consult with the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We understand that RIOC is continuing to propose the initial design for the lighthouse restoration and that the Landmarks Preservation Commission has approved this design. We appreciate the preparation of an alternate design in response to our initial comments, and we feel that both designs would be appropriate. Based upon our review, it is OPRHP's opinion that the project, as initially proposed and submitted to our office, will have No Adverse Impact upon the National Register listed Roosevelt Island Lighthouse.

If you have any questions, I can be reached at (518)268-2182.

Sincerely,
